

Cam switch star-delta-switch 25 A, 9,0 kW

Manufacturer: Klinger & Born
Type: KB-N25-87300017
Product no.: 87300017
Weight: 0.690

■ Details

Universal usable star-delta-cam switch for front installation
With additional contact for low-voltage coil

■ Specifications

Switching capacity max.	25 A / 9 kW
Rated insulation voltage Ui	630 V~
Thermal nominal current Ith	32A
Max. Check fuse	32A
Protection class	IP65 (with axle seal)
Mounting position	Any
Mechanical lifetime	3x10 ⁵ switching cycles
Electricallye lifetime	1x10 ⁵ switching cycles
Ambient temperature open	-20°C . +50°C
Ambient temperature enclosed	-20°C . +40°C
Dimensions mounting holes	36 x 36mm
